Fees are due on
Friday
9th Mar

Eden Photography

Tue 6th & Wed 7th March

Eden Photography will be visiting us to take photos of the children on Tuesday and Wednesday. If your child does not normally attend on either of these days, you are still more than welcome to bring them along to have their photo taken. We are usually able to squeeze in a sibling so your nursery child can have their photo with a brother or sister.

World Book Day

Thursday 1st March

To celebrate world book day we would ask that the children come to nursery dressed up as a their favourite story book, superhero or Disney character any day the week beginning Monday 26th February. Book tokens will be handed out for use from 26th Feb until 25th March in all good book shops.

Extract from Sickness & Infection policy

Allergies, Sickness & Infection

In the event of any antibiotics being prescribed, the child will need to be absent from nursery for at least 24 hours from the first dose.
In the event of sickness and / or diarrhoea, the child will need to be absent from nursery for at least 48 hours after the last bout of illness, UNLESS this is due to a previously disclosed underlying medical condition we are able to manage within the setting.

Personal Details / Allergies / Health Information

It is very important that our records are kept up to date, so please ensure we have your current contact details, especially address & telephone numbers and the names of those with consent to collect. Please also ensure we have the latest up to date information regarding any allergies, intolerances or health information regarding your child. We need to be fully aware of any medication that they may be taking, whether at nursery or at home. Please also be aware of our allergies, sickness and infection policy.

Online Learning Journeys

We have decided to make the move from paper learning journeys to the online system Tapestry. This allows us to firstly save time and money in the printing and gluing of photos and secondly to put our observations and photos onto a secure online system, allowing you as parents and carers to access them any time and in any place. For those concerned about security, every parent / carer will need to supply their email address and create a secure password that only they know, so please let us have your email next time you're passing the office. A direct link to Tapestry will appear in the menu on the left once we're fully up and running - you can either use the webpage or download the app for your android device or iphone.
