Autumn Term (pt 2)	Mon 30th Oct - Fri 15th Dec

All dates may be subject to change

£ Jun - Jul £

## Fees

Fees are due on  
Friday  
30th June

## September

We haven't increased the fees for at least 3 years but due to various cost rises for us, from September we will be charging £4.50 per hour.

From September if you wish to increase or change sessions, please let Shelley know by the end of June. Also, the government are bringing in 30 hours of funding for 3 - 4 year olds - please see attached flyer with full details. We will be open on a Monday until 1.00pm to enable us to be open for the 30 hours. If you have any questions, please speak to Shelley.

## Clothing/Lunch Boxes

It is becoming difficult for some of the children to find their lunch boxes at home/lunch time as there are so many that are the same or similar - please ensure they are clearly labelled on the outside so that the practitioners are able to assist them. It is also very important that ALL bags, shoes, other clothing is named, especially jumpers, jackets, cardigans and coats. Please try to bring (and leave) a spare clothes bag for your child when they are at nursery as they may participate in water play activities or get dirty.

## Food / Drink

We try to encourage healthy lunchboxes discouraging any chocolate based products, sugary / fizzy drinks, too much processed foods and / or sweet products such as cakes or biscuits.

Also, if you send in a yoghurt, please also provide a plastic spoon as we don't have many left at nursery!

Due to an increasing number of children with allergies, please **do not** send your child with peanuts or peanut butter.

## Personal Details / Allergies / Health Information

It is very important that our records are kept up to date, so please ensure we have your current contact details, especially address & telephone numbers and the names of those with consent to collect. Please also ensure we have the latest up to date information regarding any allergies, intolerances or health information regarding your child. We need to be fully aware of any medication that they may be taking, whether at nursery or at home.
