

Use of Kitchen Area

The nursery have agreed use of the main kitchen area during nursery hours for:

- the preparation of food and drink for the children's snack times.
- the preparation of beverages for staff prior to nursery opening and over their break periods.

Children are prohibited from entry to the kitchen area, except for specific, prior agreed periods, and only then under strict adult supervision.

The staff working in the kitchen are required to abide by all appropriate Health & Safety & COSHH legislation and at least one staff member on site must have an up-to-date Food Hygiene certificate.

After use, the kitchen is to be cleaned;

- The floor swept (and mopped if necessary)
- All surfaces wiped down with disinfectant cleaner spray.

The nursery have sole use of a cupboard within the kitchen and all equipment is stored therein.

The church have notices on display in the kitchen that provide information with regard to specific procedures and as such the nursery abide by these on a daily basis.
